/Eric E Silverman/
Examiner, Art Unit 1618

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Continuation of 7 above: A notice of appeal was filed on 5/21/2008, which allows applicant 2 months to file an appeal brief or request for continued examination to avoid abandonment of the application. An extension of time up to 5 months may be granted by petition, for a maximum of 7 months. No appeal brief, request for continued examination, or other filing that would avoid abandonment has been received by the Office. The Examiner left a voicemail message for Applicants' representative at the phone number of record on 2/12/2009 to confirm the status of the application, but that message was not returned.
